2019 Annual Report

We are pleased to give you our 2019 CBR Annual Report of our public education projects and presentations. Space is inadequate to include our international affiliates' events, but we selected a few good photos to demonstrate their excellent work.

There are additional media interviews and numerous published stories not included in this report. Praise God for your partnership with us in the cause to protect innocent human lives. Keep us in your prayers as the spiritual battle is relentless.

Dutch girls look at CBR signs in the Netherlands on Valentine's Day. This beautiful Dutch baby (inset photo) was born in 2019 because CBR-Netherlands ministered to his mother when she was planning to abort him at 4 months. The founder of CBR-Netherlands sent her prenatal and abortion pictures, and she decided to not abort her baby. The joyful mother now calls the baby an angel, a gift from God. The father of the baby is planning to marry her. Her hope is that by sharing this photo, it will help someone else keep her preborn baby.

"I had an abortion at 12 weeks, and I have lived to regret it when I learned the truth that my baby was not a blob of tissue, but a well-developed baby. It was through Jesus' forgiveness and restoration that I was made whole again. For Christian women suffering from condemnation and guilt, there is forgiveness, healing, and hope in Christ... I found your excellent website and decided to contribute to it."

CBR-UK took abortion photo signs to The Justice Conference in Wembley, London, on February 21-22, 2020, and our team actually had greater engagement with passers-by than with conference delegates. It was as if the Christians deliberately ignored us and passed by the beating victim on the other side of the road to Jericho, just like the priest and the Levite. Even though most didn't speak with us, the pictures go with them and we pray God will work on their consciences. At our second year at this prestigious Christian Conference, Christian Hacking reports that: CBR-UK's call is "to nail their colours to the mast re: abortion."
