"Little children, you are from God and have overcome them, for He who is in you is greater than he who is in the world. They are from the world; therefore they speak from the world, and the world listens to them. We are from God. Whoever knows God listens to us; whoever is not from God does not listen to us. By this we know the Spirit of truth and the spirit of error."
I John 4:4-6

Prayer Requests

- Enthusiastic applicants for CBR summer intern program
- God's work through CBR international affiliates
- More CBR volunteers worldwide

Correction: January 2021 Communique Netherlands article

We learned that The Netherlands television program did not hide the CBR photo sign as we had induced from the cropped photo we viewed. After CBR-Netherlands Founder Salome van der Wende confronted abortion promoter Ms. Plouman, the television crew saw Ms. van der Wende putting the signs back in her car. They asked if they could see all eight signs, so they drove to a nearby location and proceeded to film the signs as Ms. van der Wende described each one. Amazingly, the television station aired the footage of CBR prenatal and abortion photo signs. View the TV documentary "Abortion Crusade" here, beginning at 3:42 https://youtu.be/VBAzAGJip2M

These social media memes feature CBR's photo of a living 9-week preborn baby, and they are being translated into numerous languages to exponentially expand their influence. This meme is in Urdu, a language spoken in Pakistan and parts of India. The English translation reads: "She has got so much joy to give, if only we will let her give it."
