MEDIA INTERVIEWS / LIVESTREAM / PODCAST

May 20	The Pro-Life Guys Podcast, Canadian CBR
July 23	Into the Pray, UK production

Left – It is a blessing to us as we see CBR-UK expanding and increasing in effectiveness. After team member Dave Brennan spoke at Calvary Chapel Portsmouth in September, he received an encouraging email. A congregation member was emboldened to share what she'd heard with “an expectant mum.” This mother had a previous abortion and was planning to abort the baby she was carrying, but her mind was changed through the church member’s intervention and the “mum chose to keep the baby.”

CBR took a team to the March for Life in Washington, D.C. again this year, and our large photo signs always have an effect on the marchers. Staff member Lincoln Brandenburg increased viewership of our signs through a Facebook live feed video at the beginning of the March. This report was sent to CBR by a pro-life physician: Our high school sends a bus load of kids to the March. A couple years ago the quarterback of the football team went. Not sure why he went, it definitely wasn't out of any deep conviction, but he was there. As he walked past your trucks he was absolutely dumb-struck. Visibly shaken, he spoke to my friend (she's sort of the school mom), “It's an actual baby, not just a wad of tissue. How did I not understand that?”

God bless you for your continued support of CBR.

*“Lord, You have heard the desire of the humble;
You will prepare their heart;
You will cause Your ear to hear,
To do justice to the fatherless and the oppressed,
That the man of the earth may oppress no more.”
PSALM 10:17-18*
