Center for Bio-Ethical Reform 2022 EVENT SCHEDULE

We are pleased to give you our 2022 CBR Annual Report of our public education projects and presentations. Space is inadequate to include our international affiliates' events, but we selected representative photos to illustrate their effective work. Keep us in your prayers as the spiritual battle is being waged every day.

Since 1998, CBR has educated millions of college students using our Genocide Awareness Project (GAP). At University of North Carolina-Chapel Hill GAP on October 24-25, 2022, protesting students helped draw even more students to see the truth about abortion.

People's convoy – We sent a CBR truck to travel across the U.S. with the People's Convoy. This was a tremendous opportunity to educate millions of people with our prenatal and abortion photos. Thousands of well-wishers spontaneously came out to wave flags in support of this convoy for freedom. A woman told our drivers, "You have the most important truck in the convoy."

SPEAKING ENGAGEMENTS / CBR RESOURCE TABLE

Jan. 13 – Mater Dei High School, Santa Ana, CA

Post-abortion Pain in Pakistan – CBR-Pakistan received feedback from an attendee of one of their campaigns and reported it in their August 2022 newsletter: "Today I came to know that I am a murderer. It's not easy to confess what we did ... Abortion seemed a very simple solution to our problem last year. I aborted twice and I never realized what I did. Today, I think the team of CBR-Pakistan came for me. I don't know how I will be forgiven by the Lord." Join us in praying that this woman and her husband come to know the peace of God that follows repentance from sin.

Social Media Ad Costs Little, Reaches Many

CBR Netherlands decided to buy a social media ad for the first time for a campaign that concluded December 31, 2022. The ad included our 7-week preborn baby photo, our photo of an aborted baby's hip/legs, and the side of the CBR-Netherlands photo van. The text of the ad read: "Images: 7 weeks from conception - flush baby down the sewer with abortion pill?" For a modest investment of 50 euros, they reached 13,000 people who saw the ad. Beyond that, 200 viewers visited the CBR-Netherlands website. God knows how many babies were saved by the campaign.

Your faithful support and prayers undergird our ministry and we praise God for you.

*"Praise be to the LORD God, the God of Israel, who alone does marvelous deeds. Praise be to his glorious name forever; may the whole earth be filled with his glory. Amen and amen."
PSALM 72:18-29*

Prayer Requests

Summer Intern Program - Help Us Recruit

We are pleased to offer the 2023 CBR Summer Intern Program whose purpose is to train young people to consider full-time professional pro-life activism. Applications will be open through February 28, 2023.

Matching Gift Program

Does your employer have a MATCHING GIFT PROGRAM? Your donation to CBR could be doubled if you inquire about this option and participate. Many companies have matching gift programs and they often match donations 1:1. CBR would be blessed if you decide to donate through your employer matching gift program.

CBR has had a long-term relationship with Gateway Pregnancy Center in New Jersey. Gateway has faithfully served pregnant women for 38 years and they stayed open during the severe COVID lockdown, By the grace of God, they will weather the current attacks of vandals who target pregnancy help centers. (See September 2022 CBR Communiqué.) Pictured is a mother and child who Gateway served.
